

This PDF contains the results from the housing lottery held by Related Management Company (RMC) on January 4, 2024 as reported by RMC and the City of Sunnyvale. Those applicants who applied more than once, the duplicate application was removed. **Applicants will be contacted by the property agent in lottery rank order- based on lottery order and housing preferences- until vacancies are filled.** All of the information that you have provided will be verified (including preferences selected) and your income eligibility confirmed. Your application will be removed from the waitlist if you have made any fraudulent statements. If we cannot verify a housing preference that you have claimed, you will not receive the preference but will not be otherwise penalized. Should your application be chosen, be prepared to fill out an application intake packet and provide required supporting documents.

If you have any questions, please contact RMC at MeridianApts@related.com or call (662) 252-2360, TTY 711 Monday- Friday 9AM- 4PM.
